### Linking your Cattery Web Page to your ACFA Breeders Listing

To include your web page address (URL), your Cattery page on the Web must meet the following ADDITIONAL requirements. Please be sure your Cattery page complies with these requirements BEFORE you submit this request.

1. On your **Front page(s)** there must be an approved Graphic or ACFA letters linked to [acfacats.com](http://acfacats.com) our main website. **This link must be within the initial viewing screen** your visitors see of your page, before scrolling down. Having the ACFA link buried unnoticeably in your page, or at the page bottom, is **NOT** acceptable.

2. If other Cat Registries are also mentioned on your first page, ACFA must be of equal or greater size than the other Registries.

3. The Webmaster reserves the right to refuse or remove a URL link to a breeder's name if there is excessive advertising on the link, implications of unsavory practices, false advertising, fraudulent claims, anything illegal or immoral, non-compliant with ACFA linking rules, or anything on the web page that places a negative light on ACFA.
