

American Cat Fanciers Association - Junior ACFA Program

The Friendly Association

Our Mission:

Junior ACFA provides learning and leadership experiences for youth to introduce them to the world of cats, as these youth are the future of the cat fancy. Junior ACFA develops and provides programs that foster children's ethical, social, and intellectual development. While nurturing children's capacity to think skillfully and critically, we also strive to deepen children's commitment to social values such as kindness, helpfulness, personal responsibility, and respect for others - qualities believed to be essential to leading humane and productive lives in society. Junior ACFA as a part of the American Cat Fanciers Association, is promoted as family entertainment and recreation, a place where families can gather in a safe environment yet learn and contribute to society. Junior ACFA members actively participate in the development of their organization and decision-making processes so they feel ownership of Junior ACFA. Junior ACFA will continue to develop in an ongoing process as new needs are addressed.

To realize our vision and mission we follow these guiding principles:

- ✔ The friendly atmosphere of ACFA lends to the feeling and experience of a nurturing, extended family.
- ✔ Youth exposed to positive role models are inspired to grow and develop to their full potential.
- ✔ Youth who have many interests grow into knowledgeable, well-adjusted adults.
- ✔ Youth that learn the pleasure and responsibility of caring for cats grow into happy, caring, responsible adults.
