

Get ready for the
ACFA Annual Convention Awards & Show in
Fargo ND August 11-16 2026
Hosted by the Minn-Kota Feline Club

Dr Ralph Weichselbaum DMV, PhD.
of Veterinary Imaging Consultants, Inc.
will be scanning cats for Hypertrophic
Cardiomyopathy (HCM) on August 16th.
We are limited to 25 scans. The cost
will be \$120.00 per cat, with a limit of 3
cats per exhibitor. The cat is not
required to be entered in the show, but
you must have an entry in the show to
take advantage for this event.

Please contact Mark Vollmer for your reservation in the HCM clinic.

651-757-5999 or email; mark@rosehillrags.com

Disclaimer

The HCM Clinic is conducted by an independent licensed veterinarian and is offered as a convenience to exhibitors. The Minn-Kota Feline Fanciers, ACFA, show management, and volunteers assume no responsibility or liability for the services provided, examination results, or any injury, loss, or damages arising from participation in the clinic.

By participating, you acknowledge and accept these terms. If you have any questions regarding the HCM Clinic, procedures, or screening, please contact Mark directly prior to scheduling your appointment.
