The training of all applicants to the Judging Program shall be under the direction of the Training Coordinator. One of the members of the JEC (or another suitable individual appointed by the JEC chair if no JEC member is able to accept or discharge this responsibility) shall serve in this capacity. He/she will have the following responsibilities.
1. Maintain the records of training status of all trainees and schedule all training assignments. This scheduling includes all correspondence with clubs Training/Teaching Judges and Individual Trainees.
2. Assign trainees to no more than one assignment per day at any show format excluding one-day split show format. Trainees may be assigned to both sessions of a one-day split show format.
3. Make remedial recommendations to the Trainees and assist them as they progress through the program.
4. Submit a complete written report on the Trainees to the Board at the August and February meetings.
5. Be responsible for the smooth running of the program.
6. Use the assistance of the other JEC members when problems occur between meetings.
7. Be in attendance at least one of the regularly scheduled meetings each year.
8. All training assignments must be made in writing (e-mail messages are now acceptable, since they may be printed); with copies to the apprentice, the judge officiating over that assignment and the club holding the show at which training will take place. Fax and e-mail, with hard copies for the record, are acceptable.
9. Keep the JEC Chair informed regarding the progress of trainees.
B. A championship judging program trainee may not serve in any official show capacity for a show at which they are training. The championship judging program trainee will remain in the ring for the duration of the training assignment and not perform other duties for the show. Championship judging program trainees may only leave a ring with permission from the training judge.

C. Mechanics Trainee
1. Upon acceptance into the Judging Program, the Training Coordinator will send the applicant a written examination. This examination is referred to as the “Entrance Exam”, and will test knowledge of the Show Rules, Bylaws and judging mechanics. A delay in returning the examination shall cause the mark to be registered as a failure, unless extenuating circumstances exist and the Training Coordinator has been notified. If the applicant fails to complete the Entrance Exam successfully, he/she may request ONE retake after six (6) months. The retake will be a different version of the examination. During the six (6) month interval the applicant will be expected to remain active in ACFA, clerking, attending clerking or judging schools as the opportunity arises. (See Section 5.B.1.)
2. Trainees cannot train under their sponsor and can only train with the same Training/Teaching Judge once in each segment of their Mechanics and breed training.
3. A championship judging program trainee may not serve in any official show capacity for a show at which they are training. The championship judging program trainee will remain in the ring for the duration of the training assignment and not perform other duties for the show. Championship judging program trainees may only leave a ring with permission from the training judge.
4. Upon successful completion of the above, the applicant shall be designated as a Mechanics Trainee. He/She shall notify the Training Coordinator, (hereinafter TC) which shows he/she will be able to attend. The TC shall assign ten (10), five (5) longhair and five (5) shorthair, mechanics training assignments, under appropriately licensed Judges. Four assignments can be completed at a back-to-back show weekend, or two at a one-day show. Each LH/SH assignment will be graded separately. Any mechanics trainee who has entries in the show must have them handled by another person.
5. Trainees must keep in strictest confidence any discussion of individual entries they have with Judges during training assignments. Likewise, they must keep in strictest confidence the content of any examinations administered to them. A proven breach of this confidentiality will result in a six (6) month suspension from the program.
6. The Club, having been notified of the presence of the Trainee, will be required to provide a Judge’s Book for Trainee’s use, complete with Finals Sheets; however, the Trainee should always carry extra Finals Sheets, because clubs may forget to provide enough. To complete the assignment, the Trainee must sit in the Judge’s ring and mark his/her Judge’s Book. The Trainee will compose his/her own Final award pages. Breed pages and finals pages must be correctly completed. At the completion of the Show, the Mechanics Trainee must present all paperwork, plus the evaluation sheet to the Training Judge and provide an envelope with appropriate postage addressed to the TC. Any top five or top ten mechanical error will cause the assignment to receive a failing mark.
7. A Mechanics Trainee who fails 3 of the assignments will be dropped from the program, and may reapply after one year. During this time, he/she will be expected to be actively involved with clerking in order to sharpen mechanical skills.
8. A Mechanics Trainee must complete the mechanics portion of the training within two (2) years after acceptance into the program. Otherwise, the Board can drop this Mechanics Trainee from the program. Time extensions will be considered in special circumstances.
9. Upon successful completion of the Mechanics Training Phase, the Trainee will take an In-Ring Mechanics Proficiency Examination (see Section 5.B.2.).
10. Upon successful completion of the In-Ring Mechanics Proficiency Exam the Mechanics
Trainee will be advanced to Apprentice Trainee.
D. Apprentice Trainee - Breed Training

Upon advancement, an Apprentice Trainee will be required to successfully complete hands-on training on at least twenty-four (24) Breeds and Household Pets. The requirement to train on Household Pets will be waived for apprentices who hold a current Household Pet Judge’s License. A single Breed Training assignment may include groups of similar type of Breeds, such as:

1. Abyssinian, Singapura, and Somali
2. American Shorthair, American Wirehair, and Burmilla LH/SH
4. Birman, Ragamuffin, and Ragdoll
5. Australian Mist, Bombay, Burmese, European Burmese, Khao Manee and Tonkinese
6. Chartreux, Korat, Nebelung, Russian Blue, and Russian Shorthair
7. Cornish Rex, Devon Rex, and La Perm LH/SH
8. Bengal, Egyptian Mau, and Ocicat
10. American Bobtail LH/SH, Cymric, Japanese Bobtail LH/SH, Kurilian Bobtail LH/SH, Manx, Pixiebob LH/SH and Toybob SH

13. Snowshoe, Turkish Angora, and Turkish Van
14. British LH/SH and Selkirk Rex LH/SH
15. Lykoi, Peterbald and Sphynx

For apprentices required completing Household Pet training, the apprentice will successfully complete two Household Pet assignments (Specialty one day and Allbreed one day) before training on recognized Championship breeds. Upon successful completion of training on Household Pets, the TC will forward the apprentice’s name to Central Office for issuance of a Household Pet Judge’s License.

If Breeds assigned for Breed Specialty Training are not entered in the show, the Training Judge may substitute other Breeds. An Apprentice Trainee may handle more but will get credit for only six (6) breeds on any one-day assignment. Upon completion of the assignment, the Apprentice Trainee will give all paperwork, including the evaluation form, to the Training Judge, with an envelope bearing the appropriate postage addressed to the TC. If the Apprentice Trainee fails three (3) Breed Training Assignments, the Apprentice Trainee will be dropped from the Training Program and may reapply after one (1) year.

For the use by clubs for Multi-Breed Congresses, a club may use one (1) or two (2) of the above combinations for a single Multi-Breed Congress.

E. Longhair-Shorthair Training

1. Upon successful completion of Breed Training, the Apprentice Trainee advances to the next stage of training where he/she must complete successfully a minimum of five (5) Longhair and five (5) Shorthair training assignments. These must be completed under at least four (4) different Training/Teaching Judges in at least three regions. The Apprentice Trainee will only be assigned one LH or one SH assignment per day. If the LH/SH Apprentice Trainee fails three (3) LH/SH training assignments, the LH/SH Apprentice Trainee will be dropped from the Training Program and may reapply after one (1) year.

2. After successful completion of the assignments listed above, the LH/SH Apprentice Trainee shall perform one more training assignment for the purpose of handling, rhythm and hanging ribbons. Paperwork will not be graded.
3. During the training sessions the LH/SH Apprentice Trainee must handle all Breed and Color classes available in the Cat, Kitten and Alter classes, time and size of entry considered. Upon completion of an assignment, the LH/SH Apprentice Trainee must present the Judge with all paperwork, including the evaluation form and a self-stamped envelope addressed to the TC.

4. The LH/SH Apprentice Trainee must complete this phase of the training program within two (2) years from the date of advancement from Mechanics Trainee. If it is not completed within two years, he/she will be dropped from the Training Program. The Board may grant an extension where extenuating circumstances prevail.

5. When the LH/SH Apprentice has successfully completed the training assignments, his/her file will be presented to the Board at a convened session for consideration of advancement to Longhair/Shorthair Specialty Judge. After Board approval of the advancement s/he will be administered a written examination based on the Standards of Perfection, Mechanics and Show Rules and Bylaws. After the successful completion of the examination the Apprentice will be licensed immediately as a Specialty Judge. S/he MAY NOT accept Judging assignments or sign contracts prior to the licensing date.

6. If the LH/SH Apprentice Trainee fails the examination, he/she will be required to successfully complete four (4) more training assignments prior to taking another examination. If he/she fails it a second time, he/she will be dropped from the program and may reapply after one (1) year.

SECTION 5: Testing

A. General Provisions:

1. All Judges must keep in strictest confidence the content of the examinations administered to them. A proven breach of this confidentiality shall result in a period of six (6) months probation.

2. Thirty (30) days are allotted for taking and returning examinations. Unless otherwise noted, all examinations shall be returned to the JEC Chair for grading.

3. All examinations are open book.

4. For all tests, with the exception of the Refresher, a 90% is a passing grade. A passing grade on the Refresher will be 80%.

5. A delay in returning the examination (verifiable by postmark) shall cause the mark to be registered as a failure, unless extenuating circumstances exist. The JEC Chair shall be apprised of the extenuating circumstances prior to the expiration of the 30 days allotted for taking and returning the examination.

6. If a candidate fails an examination, s/he may request one retake after six (6) months. If the retake is not successfully completed, the candidate will be asked to wait six (6) months (unless otherwise noted), submit a new application to the Board through the JEC Chair, which shall be presented at the next convened session of the Board.

B. Types of Examinations:

1. Entrance Examination. This examination is administered to all candidates accepted into the Championship Judges Training Program and will test knowledge of the Show Rules, Bylaws and judging mechanics. (See Section 4.B.1)
